Well, I been following the filthy flow  
'Cause filth's the only way, I'll ever know  
You look at me and you start to laugh  
You won't laugh when your cut in half

I laugh at you as I cut you down  
'Cause you the only game in town  
I look at you, I laugh at you  
I look at you, I laugh at you

Well I been following the filthy flow  
The filthy flow, the filthy flow, oh, oh  
Filthy, filthy, filthy, filthy, filthy  
Filthy, filthy, filthy, filthy, filthy

And everyday I walk across the road  
A bag of shit and a cup of joe  
I'm thinking about all the money I owe

I laugh at you as I cut you up  
You think you're such a cute pup

I am dirt and dirt is me  
Never felt so goddamn filthy  
I am dirt, me, you can't hurt me  
There is strength in being filthy

For when we have destroyed your Earth  
There will be nothing left but dirt  
Filthy feeling sends me reeling  
Bloody footprints on the ceiling
