"Ham On The Bone"

Can you hear the whispering wind?
Over the screams of your dying friends?

Did you know your life was mine?
You know what I got

Ham on the bone
A little thing that I just can't leave alone
Now feel the purpose of my life defined
Ham on the bone is mine

Go!

Now you're on call
To the desperate scene
At the throbbing ball
And you'll do it all
Now you've become my geni-thrall

You know what I've got
Ham on the bone
A little feeling I just can't leave alone
Now feel the purpose of my life defined
Ham on the bone is mine

Now my hand grasps
My throbbing root and shan't unclasp
Go to the head of the class
As I madly stroke my flaccid shaft
Yeaaaaaah!

You know what I've got
Ham on the bone!
A little feeling I just can't leave alone
Now feel the purpose of my life defined
Ham on the bone is mine

Go!

Ham, ham, ham, ham!
Ham on the bone
Ham, ham, ham, ham!

Ham on the bo-one
Ham, ham, ham, ham!
Ham on the bone
Ham, ham, ham, ham!
Ham on the bo-one
