Krak down!

Your melted essence is my tool  
And I appropriate your nugget jewel  
Chemically wrap around aroma  
In the bathtub in a coma  
Getting drunk with Earth's elite  
They wanna peel the skin off my feet  
Mold me, fold me, keep me silent  
I get drunk, I get violent

Chorus: I fill the pipe up  
This is a Krak Down  
I called up every pimp I know  
I fucked my life up  
This is a Krak Down  
I call for toxic overthrow

Fall out of the rent-a-car  
Go and vomit on the ground  
There's the one who acts so pissed off  
Think I'll go and cunt my dick off

(Chorus)

They run from me  
I charge at sluts  
I knock them down  
Stomp out their guts  
Tastefully arrange the piles  
Soaked in phlegm  
And Bathed in bile  
Building, burning, cops all scatter  
Big fat ass is on the platter  
Your eyes are floating in my cup  
Fuck your corpse  
And get raped up
