Every child slain
No cradle only grave
Every child a bomb
we'll dominate the octomom

Make a child cry... cry child cry!
Make a child die... die child die!
Take control sieze the soul
Near is the hour gain power

Death house we will build
where children wither
Never give them names
only give them pain

Make a child cry... cry child cry!
Make a child die... die child die!
Take control seize the soul
Near is the hour gain power

Make a child cry!

Go find a child
cry child cry
run wild
die child die
make a child cry
make a child die
Rape their guts repeatedly
suck the soul dry
every child must die
I delare war on children
hide child hide
it's fun when I find you
your hiding place I spy
suck the soul dry
every child must die

Make a child cry!
Make a child die!

Go find a child

Cry child cry
Defiled
Die child die
make a child cry
make a child die
rape their guts repeatedly
suck the soul dry
every child must die
I declare war on children
I declare war on children
I declare war on children
I delcare war on children
I declare war on children
Every child must die!!!
