The Morality Squad

by Gwar

off their America Must Be Destroyed album

We're the morality squad

Armed with the wrath of God

My name is Granbo

And here's my holy hot rod

Freedom for all the people

Brave and true and strong

Freedom for all the people

Unless I think they're wrong!

Blashphemy!

Rapist mentality!

Teen suicide!

Necro-bestial anal butt sex!!

Ooooooh!

I got a couple of friends here

Trained by the CIA

Special agents here to blow you the hell away

Gwar, you're the worst. I'll put an end to you

You're even grosser than 2 Live Crew

My Grandson the superhero just back

>From the war with Iraq

Corp Punishment: My name is Corporal Punishment.

I want to scratch your back

Granbo: My nephew Tiny, a hundred tons of man!

Tiny: (inarticulate bellowing
