[Incomprehensible]

Rock and roll, dynamite
Party all day, party all night
Hey there girl, do you like my big dick?
Hey there baby, suck it till it gets real thick

Rock and roll party town
Rock and roll gonna party down
Rock and roll party town
She's a rock and roller, she's a party stroller

[Rock and fucking roll
Yeah]

Rock and roll, it's a sex machine
Rock and roll, do you know what I mean?
Rock and roll, now it's time to go
Rock and roll, see you after the show

Rock and roll party town
Rock and roll gonna party down
Rock and roll party town
She's a rock and roller, she's a party stroller
