Rock 'N Roll Never Felt So Good  
By Gwar

I met her at a donkey show  
Off the America Must Be Destroyed album

Sucking on a cherry Yoo Hoo  
She was minutes past 13  
Reading "Nugget" magazine  
Cum splattered tube-top  
Then I saw she was a quadraplechick  
Scrawny pre-pube tits

That's when I noticed her legs were wood  
And I said baby you're looking good  
And dragged her out the door.  
I grabbed a stump  
I need a hole I don't need no hips  
I laid a line of coke on her tits  
That's when I ripped off her dirty shit  
Filled drawers.  
Good, should, could, I think it feels pretty good.  
It wasn't nothin pretty  
She took my genital germ  
Her limbless body thrashed around  
Filled with infected sperm  
I criss-crossed with my cable  
I smashed her face through a door

That found her in a plastic bag  
Down by Highway 64  
And I said baby you're looking good  
That's when I noticed her legs were wood  
And all you people  
You just can't understand  
I need a hole I don't need no hips  
I need the taste of dick on my lips  
With a piece of frozen shit.  
I fucked her asshole

So good  
Good, should, could, I think it feels real good

Rock and roll never felt so good
