You can come the easy way, the hard way
I don't care
[Incomprehensible]

I'm just a person and I've got the new plague
I'm wondering how I got this way
I drank some whiskey, I went and got laid
Now I'm a person, just a person with AIDS

He's just a person with AIDS
I got what?

If you treat me like any old dude
I'll try real hard not to go bleed on you
'Cause I'm a person and I know what to do
So stick around 'cause I'm gonna get screwed

He's just a person with AIDS
He's just a person with AIDS
He's just a person with AIDS
He's just a person with AIDS

Oh, I'm dying

I'm just a person and you're a person like me
Am I the victim of a conspiracy?
I drank some whiskey, I did some cocaine
Now I'm a person in pain, pain, pain

Person
Person
Person
Person

He's just a person
He's just a person
He's just a person
He's just a person

He's just a person with AIDS
He's just a person with AIDS
He's just a person with AIDS, AIDS

I've got
You've got
We've got AIDS
