You are a woman, I am a man  
You are my meat, get in the pan  
You are my meat, so die like the rest  
As I consume your flesh, it's all for the best

You are my meat, you are my fat  
Don't try to fool me by skinning a cat  
Don't ever forget, you are my meat  
Or I'll knock you sideways, well, into next week

Our lives together mean nothing to me  
Draping my molars is where you should be  
My gullet, my stomach, these lands you shall pass  
Then you become shit and explode out my ass

You are my meat, you are my meat  
You are my meat, you are my meat
