I've never seen such fickle sets of morals
I'm just a failure
I made the worst disease
This is your goddess
Return to family

Honestly this will never end
We
Stand
In
Line

This is your answer
Recall your dying days
Goodbye my darling
To swim these endless seas.

Then compete to see who can recite these lines the
loudest

The barrier falls down

You liar
You lie

Correctness is in no way connected to the volume of
your voice

You dance around your dead
Like Kamikaze planes we're falling down, down, down!

You liar
You lie
