I started out on the wrong foot  
Now i'm not myself  
I am Jekyll, I am Hyde  
Found this place to hide  
Come seek me

Oh, so up and down  
SO back and forth  
So insecure  
Can't get this taste out of my mouth  
Swallow it down  
Pretend

Chours: Hold it, hold it all in  
Let it build up  
Build a bomb  
Blow it, blow it away  
Clear it all out  
Just end it

I'm just a normal person  
Without those problems  
When did it change?  
Admissions so embarrassing  
I'm on the verge of tears again

Chours

Oh look i took the band- Aid off  
Did i take it off too soon?  
Hysterical confession  
My big courageous move

Don't gasp at the predictable  
A comforting lie can't last  
Preordained checklist of this awkward love  
It's so sad

Chours

Sort it, sort it out

Just give it back  
No thank you  
Toss it,toss is away  
Elimnate  
Just give up

I can't decide  
This tug of war  
I'm feeling weak
