"Get On The Ball"

Visit "[Get On The Ball](#)" on MotoLyrics.com

Don't wait too long or she'll be gone fast as a blink

Get on the ball if you love your lover
No gesture too small
Tear down the walls if you love her
Just give it your all

Ooo yeah, you've got to tell her that she's the only one
Show her, make sure she'll never feel abandoned

Get on the ball if you love your lover
No gesture too small
Tear down the walls if you love her
Just give it your all

Don't wait too long or she'll be gone fast as a blink
Don't wait too long or she'll be gone fast as a blink

Ooo yeah, you've got to tell her that she's the only one
Show her, make sure she'll never feel abandoned

There won't be time to even think
So use your mind and instinct
She'll drive you crazy
So don't be so damn lazy
