Were mono - there's me, there's you (hoko-ten)
In a pedestrian paradise
Where the catwalk got its claws (meow)
A subculture in a kaleidoscope of fashion
Prowl the streets of Harajuku (irasshaimase)
Super lovers, tell me where you got yours
(at the super lovers store)
Yoji Yamamoto, I'm hanging with the locals
Where the catwalk got its claws, all you fashion know-it-
alls
With your underground malls in the world of Harajuku
Putting on a show, when you dress up in your clothes
Wild hair color and cell phones
Your accessories are dead on
Harajuku Girls you got the wicked style
I like the way that you are, I am your biggest fan
Harajuku Girls you got the wicked style
I like the way that you are, I am your biggest fan
Harajuku girls, I'm looking at you girls
You're so original girls
You got the look that makes you stand out
Harajuku Girls, I'm looking at you girls
You mix and match it girls
You dress so fly and just parade around (arigato)
I'm fascinated by the Japanese fashion scene
Just an American girl, in the Tokyo streets
My boyfriend bought me a Hysteria Glamour shirt
They're hard to find in the states, got me feeling
couture
What's that you got on? Is it Comme des Garçons?
Vivienne Westwood can't go wrong, mixed up with
second hand clothes
(Let's not forget about John Galliano) (no)
Flipped the landscape when Nigo made A Bathing Ape
I got expensive taste (oh, well) guess I better save up
(cho takai)
Harajuku Girls you got the wicked style
I like the way that you are, I am your biggest fan
Work it, express it, live it, command your style
Create it, design it
Now let me see you work it

Create it, design it
Now let me see you work it
You bring style and color all around the world. (You
Harajuku Girls)
You bring style and color all around the world. (You
Harajuku Girls)
You're looking so distinctive like D.N.A., like nothing I've
ever seen in the U.S.A.
Your underground culture, visual grammar
The language of your clothing is something to
encounter
A Ping-Pong match between eastern and western
Did you see your inspiration in my latest collection?
Just wait 'til you get your little hands on L.A.M.B.,
'Cause it's (super kawaii), that means (super cute in
Japanese)
The streets of Harajuku are your catwalk (bishoujo
you're so vogue)
That's what you drop
Cho saikou - Harajuku Girls
And that's what you drop, that's what you drop
Cho saikou - Harajuku Girls
And that's what you drop, that's what you drop
(I don't think you understand I'm your biggest fan)
(Gwen Stefani - you like me?)
