The waves keep on crashing on me for some reason  
But your love keeps on coming like a thunderbolt  
Come here a little closer  
'Cause I wanna see you, baby, real close up  
(Get over here)

You've got me feeling hella good  
So let's just keep on dancing  
You hold me like you should  
So I'm gonna keep on dancing

Your performance deserving a standing ovation  
And who would have thought it'd be the two of us  
So don't wake me if I'm dreaming  
'Cause I'm in the mood come on and give it up

You've got me feeling hella good  
So let's just keep on dancing  
You hold me like you should  
So I'm gonna keep on dancing  
You've got me feeling hella good  
So let's just keep on dancing  
You hold me like you should  
So I'm gonna keep on dancing

Ooh yeah yeah  
Ooh yeah yeah

You've got me feeling hella good  
So let's just keep on dancing  
You hold me like you should  
So I'm gonna keep on dancing  
You've got me feeling hella good  
So let's just keep on dancing  
You hold me like you should  
So I'm gonna keep on dancing

Keep on dancing  
Keep on dancing
