Why do we fall?  
So we can learn to pick ourselves up again  
It starts with a prayer  
It ends with a fight

Come and get it  
I'm right here  
Come and get it

Without a jump, there is no fall  
Without a jump, there is no fall  
Without a jump, no one to catch you

If the world should fall around me  
I would still be standing, I would still be free  
No one to hold me  
No one to keep me here  
This is the last time  
Have no fear

Oh yeah  
Get ready

Why do we fall?

My time is here for you my dear

This is a matter of life and death, the dreamer will  
choose life  
This is what it means to live and die by your dreams

Take control of your life  
Find your peace with God and shoot from the hip

Who will fight?  
Who will live?  
Who will die?
