This world, in flames, take my life (Throw it in)  
This world, in flames, take my life (Throw it in)  
This world, in flames, take my life (Throw it in)  
This world, in flames, take my life (Throw it in)

We're not dead, still breathing, you said we'd never  
stop bleeding  
We're not dead, still breathing, you said we'd never  
stop

You can't stop me, I will destroy the memories  
You can't stop me, I will destroy

This time you won't have a smile on your face  
This time you won't have a smile on your face  
It's time to prove ourselves worthy  
It's time to prove ourselves worthy

Arise, Shine (Spread your wings) Take Flight  
Arise, Shine (Spread your wings) Take Flight  
Arise, Shine (Spread your wings) Take Flight

Arise, Shine  
Arise, Shine

Set this whole world on fire  
Make this cloud your resting place (Oh my God)  
This town can hold us no longer (Sets this whole world  
on fire)  
Make this cloud your resting place

My God, My Refuge  
My God, My Refuge  
My God, My Refuge  
My God, My Refuge  
My God, My Refuge

We will move on (We'll rise above this fire)  
We'll Turn our backs to the wreckage  
We will move on (We'll rise above this fire)  
We'll Turn our backs to the wreckage  
We will move on (We'll rise above this fire)

We'll Turn our backs to the wreckage  
We will move on (We'll rise above this fire)  
We'll Turn our backs to the wreckage
