(feat. Ludacris)

[Verse 1:]

Working so hard, every night and day
And now we get the pay back
Trying so hard, saving up the paper
Now we get to lay back
Working so hard, every night and day
And now we get the pay back, the pay back, the pay
back

[Bridge:]

Champagne kisses, hold me in your lap of luxury
I only want to fly first-class desires, you're my
limousine
So elegant, the way we ride, our passion, it just
multiplies
There's platinum lightning in the sky
Look I'm livin' like a queen

This kind of love is getting expensive
We know how to live, baby
We're luxurious, like Egyptian cotton
We're so rich in love, we're rollin' in cashmere
Got it in fifth gear, baby
Diamond in my ride is lookin' so sparkly

[Chorus:]

Working so hard, every night and day
And now we get the pay back
Trying so hard, saving up the paper
Now we get to lay back
Working so hard, every night and day
And now we get the pay back, the pay back, the pay
back

(Slim Thugga)

[Rap:]

I made my stacks now I finally get to layback
I worked so hard now I finally get the payback
And blaze sex ridin in back of da Maybach (chyea)

If it ain't drough I say no we don't play that
I'm in my house like a boss reclined
Bumpin' on da sticky green sippin' on me some wine
I made it out the hood and I'm feelin' real good about
Ridin' in the Benz tryna pull the wood up out (chyea)

This kind of love is getting expensive
We know how to live, baby
We're luxurious, like Egyptian cotton

Working so hard, every night and day
And now we get the pay back
Trying so hard, saving up the paper
Now we get to lay back
Working so hard, every night and day
And now we get the pay back, the pay back, the pay
back
[2x]

Cha-ching, cha-ching, we're loaded and we're not
gonna blow it
Cha-ching, cha-ching, we're hooked up with the love
cause we grow it
Cha-ching, cha-ching, we got hydroponic love and
we're smokin'
Cha-ching, cha-ching, we burn it, you and I, we are so
lit

And we're so rich in love, we're rollin' in cashmere
Got it in fifth gear, baby
Diamond in my ride is lookin' so sparkly

Working so hard, every night and day
And now we get the pay back
Trying so hard, saving up the paper
Now we get to lay back
Working so hard, every night and day
And now we get the pay back, the pay back, the pay
back
