Can u tell I'm faking it?
But I want to be myself
A counterfeit disposition
Cant be good for my health
So many different faces depending on the different
phases
My personality changes
I'm a chameleon
There's more than one dimension
I can feel you and attract attention
Camouflage my nature
Let me demonstrate....

Make up is all off
Who am i?
The magic's in the make up
Who am i?

If you bore me then I'm comfortable
If u interest me, I'm scared
My attraction paralyzes me
No courage to show my true colors that exist
But I want to be the real thing
But if you catch my eye can't be authentic
The one's I loath are the one's that know me best

My makeup's all off
Who am i?
The magic's in the makeup
Who am i?

The makeups all off
Who am i?
If the magic's in the make up
Then who am i?
Magic's in the makeup
But I want to be the real thing
But the magic's in the makeup
And I want to be the real thing

My makeup's all off

Who am i?
