Don't let it go away  
This feeling has got to stay  
Don't let it go away  
This feeling has got to stay  
And I can't believe I've had this chance now  
Don't let it go away

New, you're so new  
You, you're new  
And I never had this taste in the past  
New, you're so new

My normal hesitation is gone  
And I really gravitate to your will  
Are you here to fetch me out?  
'cause I never had this taste in my mouth

Oh you're not old  
And you're not familiar  
Recently discovered  
And I'm learning about you

New, you're so new  
You, you're new

And you're consuming me violently  
And you're reverence shamelessly tempting me  
Who sent this maniac  
'cause I never had this taste in my past

Oh you're different  
You're different from the former  
Like a fresh battery  
I'm energized by you

Don't let it go away  
This feeling has got to stay  
Don't let it go away  
This feeling has got to stay  
And I can't believe I've had this chance now  
Don't let it go away

Why am I so curious  
This territory's dangerous  
I'll probably end up at the start  
I'll be back in line with my broken heart  
New, you're so new  
You, you're new  
And I never had this taste in the past

Don't let it go away  
This feeling has got to stay  
Don't let it go away  
This feeling has got to stay  
And I can't believe I've had this chance now  
Don't let it go away

And I can't believe it  
Can't believe it  
Can't believe it  
Can't believe it  
Don't let it go away, this feeling has got to stay  
Don't let it go away
