I pray that these words reach deep enough to find your
heart

I have someone else, someone much more than me,
above

This time, this time

This time it's me

I am completely unprepared for the way life turned on
me

I cannot stand

I cannot stand alone

I cannot stand

I cannot stand alone

I am the one

The only one that You're afraid of

I am the one

The only one that You're afraid of

I am only a human, and I am only worshipful

I'm not the man I was once before, it has taken it's toll

Believe it, the best laid plans of mice and men go
wrong

This has consumed me

This time it's me

I am completely unprepared for the way life turned on
me

I pray that these words reach deep enough to find your
heart

I pray that these words reach deep enough to find your
heart

I cannot stand

I cannot stand alone

I am the one, the only one that You're afraid of

I am the one, the only one that You're afraid of
