Waking up to find another day  
The moon got lost again last night  
But now the sun has finally had it's say  
I guess I feel alright

But it hurts when I think  
When I let it sink in  
It's all over me  
I'm lying here in the dark  
I'm watching you sleep, it hurts a lot  
& all I know is  
You've got to give me everything  
Nothing less cause  
You know I give you all of me

[CHORUS]

I give you everything that I am  
I'm handin' over everything that I've got  
Cause I wanna have a really true love  
Don't ever wanna have to go & give you up  
Stay up till Four In The Morning & the tears are pouring  
& I want to make it worth the fight  
What have we been doing for all this time?  
Baby if we're gonna do it, come on do it right

All I wanted was to know I'm safe  
Don't want to lose the love I've found  
Remember when you said that you would change  
Don't let me down  
It's not fair how you are  
I can't be complete, can you give me more?  
& all I know is  
You got to give me everything  
& nothing less cause  
You know I give you all of me

[CHORUS]

I give you everything that I am  
I'm handin' over everything that I've got  
Cause I wanna have a really true love  
Don't ever wanna have to go & give you up

Stay up till Four In The Morning & the tears are pouring  
& I want to make it worth the fight  
What have we been doing for all this time?  
Baby if we're gonna do it, come on do it right

Oh please, you know what I need  
Save all your love up for me  
We can't escape the love  
Give me everything that you have

& all I know is  
You got to give me everything  
& nothing less cause  
You know I give you all of me

[CHORUS]

I give you everything that I am  
I'm handin' over everything that I've got  
Cause I wanna have a really true love  
Don't ever wanna have to go & give you up  
Stay up till Four In The Morning & the tears are pouring  
& I want to make it worth the fight  
What have we been doing for all this time?  
Baby if we're gonna do it, come on do it right

(Give you everything)  
(Give you all of me)
