What an amazing time
What a family
How did the years go by
Now it's only me

Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
La, la, la, la, la, la

I'm like a cat in heat stuck in a moving car
A scary conversation, shut my eyes, came from the
brake
What if they say that you're a climber
Naturally, I'm worried if I do it alone
Who really cares, cause it's your life
You never know, it could be great
Take a chance cause you might grow
Oh, oh, oh

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

Tick-tock, tick-tock
Tick-tock, tick-tock
Take a chance you stupid ho

Like an echo pedal, you're repeating yourself
You know it all by heart
Why are you standing in one place
Born to blossom, bloom to perish

Your moment will run out
Cause of your sex chromosome
I know it's so messed up, how our society all thinks (for
sure)
Life is short, you're capable (uh-huh)

Oh, oh, oh
Uh,uh
Uh,uh
Look at your watch now
You're still a super hot female
You got your million-dollar contract
And they're all waiting for your hot track

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

I can't wait to go back and do Japan
Get me lots of brand new fans
Osaka, Tokyo
You Harajuku girls
Tell me you've got some wicked style

Girrrrrrrrrrrrrrrl

Look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot track

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting for
What you waiting for

(What you waiting for)
Take a chance you stupid HO
Take a chance you stupid ho

What you waiting for
What you waiting for

(What you waiting for)
Take a chance you stupid ho
Take a chance you stupid ho
