Gwen, ha suru no?

Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
La, la, la, la, la, la, la

Like a cat in heat, stuck in a moving car
A scary conversation, shut my eyes, can't find the
brake
What if they say that you're a climber
Naturally I'm worried, if I do it alone
Who really cares, cause it's your life
You never know, it could be great
Take a chance cause you might grow
Oh, ah, oh

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

Tick-tock, tick-tock
Tick-tock, tick-tock
Take a chance you stupid ho

Like an echo pedal you're repeating yourself
You know it all by heart
Why are you standing in one place
Born to blossom, bloom to perish
Your moment has run out
Cause of your sex chromosome

I know it's so messed up
How our society all thinks (for sure)
Life is short, you're capable (uh huh)

Oh, ah, oh
Look at your watch now
You're still a super hot female
You got your million-dollar contract
And they're all waiting for your hot track

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

I can't wait to go back and do Japan
Get me lots of brand new fans
Osaka, Tokyo
Your Harajuku girls
Damn, you've got some wicked style

Go

Look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot track

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for

What you waiting for
What you waiting for

(What you waiting for)

Take a chance you stupid ho

Take a chance you stupid ho

What you waiting for
What you waiting for

(What you waiting for)
Take a chance you stupid ho

Take a chance you stupid ho
