Oh yes I'm guilty  
For leasing myself out  
Not ready to go up for sale  
Can't seem to give it up  
Stubborn, so selfish  
I'm showing off the worst in me

The return of saturn  
Assessing my life  
Second guessing...

I'm full of artificial sweetener  
My heart's been deceitful  
It's all artificial sweetener  
I'm faking I love you's  
You're forcing me to

You really deserve love  
I want to love you  
But I can't seem to find myself  
I'm wilting effort  
Our progress report  
I'm only sure that I'm not sure

I shudder to be honest  
Who's behind it all now?

Who's the author?

I'm full of artificial sweetener  
My heart's been deceitful  
It's all artificial sweetener  
I'm faking I love you's  
You're forcing me to

Re-read, re-write, redo, undo  
I'm stuck on this page  
I was born two weeks late  
Is that why I hesitate  
I'm on the fence  
Push me off it  
I want to be on your side now

And keep a promise

I'm full of artificial sweetener

My heart's been deceitful

It's all artificial sweetener

I'm faking I love you's

You're forcing me to
