Can you hear that whistle  
Loud clackety clack  
But it's calling to me  
The station is where it's at

It's coming again now  
Chuggin' down that track  
Just check your records  
Got all my bags packed

You'll always find me waiting for that train to come  
through  
Come get me, take me to the land where my dreams  
come true  
You'll always find me waiting for that train to come  
through  
Come, get me, take me, to the land where my dreams  
come true

The time I'll board that train  
It won't be long  
Check the label on my baggage  
Destination's in my song

I'll talk to the conductor, ooh  
I've saved up my fare  
Yakety-yak for a while  
Choo choo!  
Choo choo-hoo!

You'll always find me waiting for that train to come  
through  
Come get me, take me to the land where my dreams  
come true  
You'll always find me waiting for that train to come  
Come get me, come take me

You'll always find me waiting for that train to come  
through  
I said, "Come get me, take me to the land where  
Your dreams come true"  
I said, "I'm waiting, I'm waiting"

Come get me, come take me to the land where my  
dreams come

Smokes down  
Train is back  
Then smash it down

Hurry grab my luggage  
Hurry grab my bags  
It seems the locomotive  
Has taken another track

A penny brought by mischief  
A penny form of cash  
Has been brought up to the railway  
We are destined to be a smash  
A smash

Woah!

You will always find me waiting for that train to come  
through  
Come get me, take me to the land where your dreams  
come true  
You'll always find me waiting for that train to come  
Come get me, come take me

You'll always find me waiting for that train to come  
through  
Room for many  
Tickets for few  
I'm waiting for it to show  
A na na na na na oh woah

You'll always find me waiting for that train to come  
through  
Come get me, come take me  
You'll always find me waiting for that train to come  
through  
I said, "Come get me, take me to the land  
Where your dreams come true, I said

"You're gonna always find me  
Oh, gonna always find me"  
Woo oo hoo, woo oo hoo  
I said, "Woo woo, oh oh oh"

I won't move on yeah  
Na na na na na no na na no  
I gotta hold on tight
