How sick is this
How sick is this

You know, you know you wanna call me back
You know, you know you wanna call me back
You know, you know you wanna call me back

Oh Oh!

[Bridge]

Hold up I think you're cutting out
Hold up I think you're cutting out
Hold up I think I'm losing you
Hold up I think I'm losing you
Tell me can you hear me now
Tell me can you hear me now
Tell me can you hear me now
Tell me can you hear me now

[Chorus]

We're breakin up
Up, Up, Up,
We're breakin up
Up, Up, Up,
We're breakin up
Up, Up, Up,
We're breakin up
Up, Up, Up,

I finally get you on the phone
And our connection's all wrong
You're acting like I'm Starvin' you out
And my batteries gettin' low

Get me charged up or you will regret it
I need to call you back so I can hear you better
'Bout to end the conversation altogether
Yeeeeaaaah!

Hold up I think you're cutting out
Hold up I think you're cutting out
Hold up I think I'm losing you

Hold up I think Iâ€™m losing you
Tell me can you hear me now
Tell me can you hear me now
Tell me can you hear me now
Tell me can you hear me now
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,
Come on, give a little love
Why arenâ€™t you calling me back
K, now Iâ€™m gonna call you at home
And leave another sorry message

Whyâ€™s it have to get so complicated
Acting so cold, re Fridgerated
Got your voice mail on, Iâ€™m so frustrated
Yeeehaaaah!

Hold up I think youâ€™re cutting out
Hold up I think youâ€™re cutting out
Hold up I think Iâ€™m losing you
Hold up I think Iâ€™m losing you
Tell me can you hear me now
Tell me can you hear me now
Tell me can you hear me now
Tell me can you hear me now
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,
Weâ€™re breakin up
Up, Up, Up,

I hate it when the signal drops on my cell phone
Just tryin to talk but my bars are all gone
I'm not in the mood for your stupid ringtones
I want my battery charged and I want you in my zone

Hold up I think youâ€™re cutting out
Hold up I think youâ€™re cutting out
Hold up I think Iâ€™m losing you
Hold up I think Iâ€™m losing you
Tell me can you hear me now
Tell me can you hear me now

Tell me can you hear me now
Tell me can you hear me now
WeÂ're breakin up
Up, Up, Up,
WeÂ're breakin up
Up, Up, Up,
WeÂ're breakin up
Up, Up, Up,
WeÂ're breakin up
Up, Up, Up,
