[Gwen]

Come on Johnny, when you gonna get here?

[Johnny]

Alright, hold your pretty horses. I'll be there in a minute

You just get yourself dolled up alright toots

And you pick a place, you just pick a place

[Gwen]

Umm, Johnny?

[Johnny]

Yeah, Gweny, Gwen, Gwen?

[Gwen]

You might want to hurrury, because tonight is the night

I'm empty, I need fulfilling, yes I do love

To the ceiling, when I do love

I get this feeling when I'm in love

I'm restless, can't you see I try my bestest

To be good girl, because it's just us

So take me now and do me justice

I'm waiting patiently

Anticipating your arrival

And I'm hating

It takes so long to get to my house

To take me out

Tonight, I'm gonna give you all my love in the back seat

Bubble pop electric, bubble pop electric

Gonna speed it down and slow it up in the back seat

Bubble pop electric

Uh-oh, in the back seat

Ok now, I understand he's on his way now

But jeez Louise, I mean today now

I can't wait, I wanna play now

I'm antsy

Bubble pop electric pansies  
My sweet tooth, I want your candy  
The Queen of Eng would say it randy

I'm itchy  
I wish you would come and scratch me  
Tonight I'm falling, won't you catch me  
Swoop on by, so you can snatch me  
And take me out

Tonight, I'm gonna give you all my love in the back seat  
Bubble pop electric, bubble pop electric  
Gonna speed it down and slow it up in the back seat  
Bubble pop electric  
Uh-oh, in the back seat

The need to be satisfied  
Come pick me up, I want a ride  
Hurry, hurry, come to me  
Drive in movie  
Drive in, move me  
Drive into me

Bubble pop electric  
You've gotta get it  
(Straight to me, drive in movie)  
Take it to the back seat  
Run it like a track meet  
(Come to me, drive in movie)  
[2x]

Tonight, I'm gonna give you all my love in the back seat  
Bubble pop electric, bubble pop electric  
Gonna speed it down and slow it up in the back seat  
Bubble pop electric  
Uh-oh, in the back seat  
[2x]

[Johnny]  
Yeah, tell your father I said hello

[Gwen]  
Johnny, get out of here
