I'm tired from exploring you
I'm sorry, you've had some scary days
I'm lucky, they had me on a leash
Exposing, sometimes you frighten me

And it's too bad, you're so sad
I wish you could've had what I have

I'm loathing most of your history
Hesitation, but then you siphon me, yeah
Your potential, well, I'll indulge in that
Violent timing explains the aftermath

And it's too bad, you're so sad
I wish you could've had what I have
And it's so sad, it's too bad
Maybe I can make you feel better
Oh, maybe I'm supposed to make you feel better

I want to comfort you
I want to comfort you
I want to comfort you

Unlike you, I had it easy, you're dark blue
Stained from previous days

And you're so sad, it's too bad
I wish you could've had what I had
And it's too bad, you're so sad
Maybe I can make you feel better

I'm sorry, I'm sorry
I want to comfort you
I want to comfort you, you're dark blue
