

## Gwen Stefani "Fluorescent"

Visit "[Fluorescent](#)" on MotoLyrics.com

I'm not saying nothing you don't already know  
You know you too delicious more than I can handle  
Lyn' around late at night this luscious that i ache  
Baby why'd you fall asleep? I'm still awake

*[CHORUS]*

I'm in love, in love with a dream  
My Valentine's, Gone & broke my wings  
I'll see in time, I feel a bit weak  
You better be right, cause you promised me  
I must have lost my mind  
I can't believe you're still inside my bed  
I nearly walked away, I didn't think we'd still be rollin'

Dressing up in your love is a dangerous thing  
My sexy super lover's got a real bad sting  
Baby, didn't want no trouble this is more than I can  
afford  
I can't help myself, keep coming back for more  
For more, can't help coming back for more

*[CHORUS]*

I'm in love, in love with a dream  
My Valentine's, Gone & broke my wings

I'll see in time, I feel a bit weak  
You better be right, cause you promised me  
I must have lost my mind  
I can't believe you're still inside my bed  
I nearly walked away, I didn't think we'd still be rollin'  
& as I watch you sleep in the dimlight I close my eyes &  
pray  
Another Fluorescent night, yeah  
You & I

Late night lovers kickin' in the covers  
Don't need no one but you & I  
Cause every day is a weekend, forget what we were  
thinkin'  
Another sweet Fluorescent night  
Ooh-woh  
Ooh-woh

*[CHORUS]*

I must have lost my mind

I can't believe you're still inside my bed

I nearly walked away, I didn't think we'd still be rollin'

& as I watch you sleep in the dimlight I close my eyes &  
pray

Another Fluorescent night, yeah

You & I
