(Wa-mono)

There's me, there's you

(Hoko ten)

In a pedestrian paradise

Where the catwalk got its claws

(Meow)

A subculture, in a kaleidoscope of fashion

Prowl the streets of Harajuku

(Irasshaimase)

Super lovers, tell me where you got yours

(At the super lovers' store)

Yohji Yamamoto

I'm hanging with the locals

Where the catwalk got its claws

All you fashion know it alls

With your underground malls

In the world of Harajuku

Putting on a show, when you dress up in your clothes

Wild hair color and cell phones

Your accessories are dead on

Harajuku Girls, you got the wicked style

I like the way that you are

I am your biggest fan, oh

Harajuku Girls, you got the wicked style

I like the way that you are

I am your biggest fan

Harajuku Girls, I'm looking at you, girls

You're so original girls

You got the look that makes you stand out

Harajuku Girls, I'm looking at you, girls

You mix and match it girls

You dress so fly and just parade around

(Arigato)

I'm fascinated by the Japanese fashion scene

Just an American girl in the Tokyo streets

My boyfriend bought me a Hysteria Glamour shirt
They're hard to find in the States, got me feeling
couture
(It's really cool)

What's that you got on, is it Comme Des Garçons?
Vivienne Westwood can't go wrong
Mixed up with second hand clothes
Let's not forget about John Galliano, no
Flip the landscape when Nigo made A Bathing Ape
I got expensive taste, oh well
I guess I better save up

Harajuku Girls, you got the wicked style
I like the way that you are
I am your biggest fan, oh

Harajuku Girls, you got the wicked style
I like the way that you are
I am your biggest fan

Harajuku Girls, you got the wicked style
I like the way that you are
I am your biggest fan, woo

Harajuku Girls, you got the wicked style
I like the way that you are
I am your biggest fan

Work it, express it
Live it, command your style
Create it, design it
Now let me see you work it
Create it, design it
Now let me see you work it

You bring style and color all around the world
You Harajuku Girls
You bring style and color all around the world
You Harajuku Girls

Your look is so distinctive, like DNA
Like nothing I've ever seen in the USA
Your underground culture, visual grammar
The language of your clothing is something to
encounter

A ping pong match between Eastern and Western
Did you see your inspiration in my latest collection?
Just wait till you get your little hands on L.A.M.B.
'Cause it's super kawaii, that means super cute in

Japanese

The streets of Harajuku are your catwalk
(Bishoujo, you're so vogue)
That's what you drop
(Cho saikou Harajuku Girls)
And that's what you drop, that's what you drop
(Cho saikou Harajuku Girls)
I'm your biggest fan
Gwen Stefani you like me

Harajuku Girls, you got the wicked style
I like the way that you are
I am your biggest fan
(Cho kawaii)
Harajuku Girls, Harajuku Girls

Harajuku Girls, you got the wicked style
I like the way that you are
I am your biggest fan
(Gwen Stefani aishiteru)

Style detached from content
A fatal attraction to cuteness
Style is style, fashion is fashion
Girl, you got style
