Run, running all the time  
Running to the future  
With you right by my side

Me, I'm the one you chose  
Out of all the people  
You wanted me the most

And I'm so sorry that I've fallen  
Help me up, let's keep on running  
Don't let me fall out of love

Running, running, as fast as we can  
Do you think we'll make it?  
(Do you think we'll make it?)  
We're running, keep holding my hand  
So we don't get separated

Be, be the one I need  
Be the one I trust most  
Don't stop inspiring me

Sometimes it's hard to keep on running  
We work so much to keep it going  
Don't make me want to give up

Running, running as fast as we can  
I really hope we make it  
(Do you think we'll make it?)  
We're running, keep holding my hand  
So we don't get separated

Running as fast as we can  
I really hope we make it  
(Do you think we'll make it?)  
We're running as fast as we can  
I really hope we make it  
We're running, keep holding my hand  
So we don't get separated

The future

Running, running, as fast as we can  
Do you think we'll make it?  
(Do you think we'll make it?)  
We're running, keep holding my hand  
So we don't get separated

Running as fast as we can  
I really hope we make it  
(Do you think we'll make it?)  
We're running, running, keep holding my hand  
So we don't get separated
