Please, Miss Fried  
He don't mean to be mean  
He just needs to leave  
He hopes, he does not  
'Cause you inconvenience  
Why can't you see?

He says, "Please, don't be sad for me"

Oh, Miss Fried  
Please believe you're his queen  
He must fight for his dreams  
Lovely, Miss Fried  
He will too miss you  
He just needs to be free

He says, "If I should ever cause you to bleed  
Don't pretend to be naive"  
Don't be naive

Don't take him wrong, let him be  
Sometimes he feels like he ought to be alone, alone  
Don't take him wrong, let him be  
Sometimes he feels like he ought to be alone, alone

He says, "Please don't be sad for me"  
"Please don't be sad for me"
