Open the basket  
Listen to the flute play  
Open the basket  
Listen to the flute play  
Toot, toot, toot, toot play

Snakes in the basket  
Lie to lead you astray  
Snakes in the basket  
Force to make you betray  
Your innermost truth hidden away

Now you're falling down to the underground  
Slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate board

Carry the casket  
Never mind the gun spray  
Bury the casket  
Pawns in someones game play  
Shoot, shoot, shoot, shoot obey

Now you're falling down to the underground  
Slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate board

Listen to the flute play  
Listen to the flute play  
Listen to the flute play

Subscription to the spreading of lies  
Soldier catches a glimpse of his demise  
Deep down inside even he knows  
Snakes come in many shapes and sizes  
Shapes and sizes  
Snakes have no hands to be tied

Concoction of malicious lies  
Deep inside the general despises himself  
Listen to the flute play

Another reptile in line  
Snakes without grass cannot hide

Falling down to the underground  
Slither down to your lair  
Hidden in the many trenches of a hopeless war  
Those who were sold out by a corporate board

Falling down to the underground  
Slither down to your lair  
Forked tongues spread the poison with another toxic  
sting  
So much pain their serpentine inhibitions bring

Listen to the flute play  
Listen to the flute play  
Listen to the flute play  
Listen to the flute play

Open the basket  
Open the basket  
Listen to the flute play  
Open the basket

Listen to the flute play  
Listen to the flute play  
Go ahead  
Listen to the flute play  
Open the basket
