What an amazing time

What a family

How did the years go by

Now it's only me

Tick-tock, tick-tock

Tick-tock, tick-tock

Tick-tock, tick-tock

Tick-tock, tick-tock

La, la, la, la, la, la, la

Like a cat in heat, stuck in a moving car

A scary conversation, shut my eyes, can't find the
brake

What if they say that you're a climber

Naturally, I'm worried if I do it alone

Who really cares, cause it's your life

You never know, it could be great

take a chance cuz u might grow

Oh, ah, oh

What you waiting

What you waiting

What you waiting

What you waiting

What you waiting for

What you waiting

What you waiting

What you waiting

What you waiting

What you waiting for

Tick-tock, tick-tock

Tick-tock, tick-tock

Take a chance you stupid hoe

Like an echo pedal, you're repeating yourself

You know it all by heart

Why are you standing in one place

Born to blossom, bloom to perish

Your moment will run out

Cause of your sex chromosome

I know it's so messed up, how our society all thinks (for sure)

Life is short, you're capable (uh-huh)

Oh, ah, oh... Ah, ah

Ah, ah

(Ah, ah)

Look at your watch now

You're still a super hot female

You got your million-dollar contract

And they're all waiting for your hot track

What you waiting

What you waiting

What you waiting

What you waiting

What you waiting for

What you waiting

What you waiting

What you waiting

What you waiting

What you waiting for

I can't wait to go back into Japan

Get me lots of brand new fans

Osaka, Tokyo

You Harajuku girls

Damn, you've got some wicked style

Go!!!

Look at your watch now

You're still a super hot female

You got your million dollar contract

And they're all waiting for your hot track

What you waiting

What you waiting

What you waiting

What you waiting

What you waiting for

What you waiting

What you waiting

What you waiting

What you waiting

What you waiting for

What you waiting for

What you waiting for

(What you waiting for)

Take a chance you stupid hoe

Take a chance you stupid hoe

What you waiting for

What you waiting for

(What you waiting for)

Take a chance you stupid hoe

Take a chance you stupid hoe
