It's all your fault
But I'm gonna try

I'm feelin as bad about me as you are
You know I don't wanna be here
I'm tryin to work out where these feelings are from
I don't know why I'm doin this either

[Chorus]
I know, you're right, you win
I don't want any part of it
But you know what I'm like
I give in even though you started it

(whoa, hey)

The last time I checked, had it under control
But now everything is unclear
Oh help me correct it, I know that I'm wrong

I don't know why I'm doin this either

[Chorus]

Oh well baby, you were right
Oh no no no hush hush, you were right
Forget about it baby, you were right
Yeah we argue sometimes but please not tonight

(Hey, you gonna be ok)
(Don't worry about it)
(Sing)

[Chorus]X2

Yeah we argue sometimes but not tonight
