Bridge:

Up, down, (yeah) round and around,
You love it when I'm saddling you, (What that love like?)
In, out let me hear you shout,
Ooh baby what did you do? (What that love like?)
You got me open, open,
I'm so deep in love with you, (What that love like?)
Passion, what happened,
You got me baby... (What that love like?)

Chorus:

Never knew love like this before (Ay ay ay ay ay ay ay)
(Love like this before)
You got me all you need fo' sure (Ay ay ay ay ay ay ay)
(Fo' sure, fo' sure, fo' sure)
Never knew love like this before (Ay ay ay ay ay ay ay)
(Love like this before)
Baby you're all I need and more (You're all I need, all I
need)

Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)
Rock, rock, rock, rock (Rock me baby)

(Let's go straight up)

Up, down, (yeah) round and around,
You love it when I'm straddling you, (What that love
like?)
In, out let me hear you shout,
Ooh baby what did you do? (What that love like?)
You got me open, open,
I'm so deep in love with you, (What that love like?)
Passion, what happened,
You got me baby... (What that love like?)

Chorus:

Never knew love like this before (Ay ay ay ay ay ay ay)
(Love like this before)
You got me all you need fo' sure (Ay ay ay ay ay ay ay)
(Fo' sure, fo' sure, fo' sure)
Never knew love like this before (Ay ay ay ay ay ay ay)
(Love like this before)
Baby you're all I need and more (You're all I need, all I
need)
