Ever had  
A memory  
You wished  
It could come true?

The memory  
So close to me  
Will never fade  
It's how I paid  
The gift of sight  
Vision of light  
My Master's will  
The dream fulfilled

In this tragedy  
My only friend is a lie

The thoughts  
Are all surrounded  
By darkest clouds  
I sing to

My soul reveals  
It's a battle  
I could never win  
I should lose

Never believed  
For none they grieved  
Do they not know  
We do not bow  
The nightmares last (but)  
Stay in the past  
Why do they taunt  
These thoughts I haunt

Our only dream  
As we have seen  
Will be revealed  
Our fate be healed  
No-one to say  
The only way

The one of tears  
Our greatest fears

Some day they will see  
The curse that lies on me is real  
For this day I yearn  
Their innocence will burn with me

It's as we have foreseen  
Our hands will be washed clean of guilt  
In time we will be freed  
For no-one else we'll bleed this lie

When silent screams resound  
Our fear will be unbound at last  
For this day we yearn  
Their innocence will burn with me

For this day we yearn  
Their innocence will burn with me
