Once upon a lifetime  
Never far away  
Once upon a lifetime  
It leads you astray

On your path to glory  
It takes you by surprise  
On your path to glory  
You will meet your demise

How  
Should I  
Know?  
What I will see?  
What I will think?  
What I'll be feeling?

Should I embrace this vision  
Should I despise these thoughts?  
Should I despise this vision  
Should I embrace these thoughts?

I will acknowledge your voice  
I will concede  
I will acknowledge your voice  
I will pay heed

(Can't see, is there)  
No  
Way for me?  
Can't I flee?  
Am I  
Free?  
I can't see...  
Won't I be?

Is there  
No  
Way for me?  
Can't I flee?  
Am I free?  
I can't see...

Won't I be?

I am!

Dreams unfold as days go by  
And stars stand brightly in the sky  
I will never say goodbye  
'Cause this will last until I die

I will embrace this vision  
I won't despise these thoughts  
I won't despise this vision  
I will embrace these thoughts

I will acknowledge your voice  
I will concede  
I will acknowledge your voice  
I will pay heed
