her hair is hollow gold  
i left a sweet surprise  
her hands are never cold,  
she's got Bette Davis eyes  
she'll turn the music on you,  
you won't have to think twice,  
she's pure as New York snow,  
she's got Bette Davis eyes  
and she'll tease you,  
she'll unleash you,  
all of her time  
just to please you,  
she's prococious  
and she knows just what it takes to make a problem  
she's got Bette doubles in her side  
she's got Bette Davis eyes  
she'll let you take her home  
and waste her appetite  
she'll let you on her phone  
she's got Bette Davis eyes  
she'll take a tumble on you,  
roll you like you were dice,  
until you come out blue,  
she's got Bette Davis eyes  
she'll expose you

when she slows you  
off her feet  
with the clothes  
she throws you  
she's furious  
and she knows just what it takes to make a problem  
all the boys think she's a star  
she's got Bette Davis eyes  
and she'll tease you,  
she'll unleash you,  
all of her time  
just to please you,  
she's prococious  
and she knows just what it takes to make a problem  
all the boys think she's a star  
she's got Bette Davis eyes

and she'll tease you  
she'll unleash you,  
just to please you  
she's got Bette Davis eyes  
she'll expose you  
when she slows you  
and she knows you  
she's got Bette Davis eyes  
she's got Bette Davis eyes  
she's got Bette Davis eyes
