Baby let's cruise  
away from here  
don't be confused  
the way is clear

And if you want it, you got it forever  
this is not a one night stand baby

(Chorus)  
yeah so, let the music take your mind  
just release and you will find  
You're gunna fly away  
glad you're goin' my way  
I love it when we're cruisin' together  
music is played for love  
cruisin' is made for love  
I love it when we're cruisin' together

Baby tonight  
belongs to us  
everything right  
do what you mind  
and inch by inch we get closer and closer  
to every little part of eachother  
ooh baby yeah

(chorus)  
so let the music take your mind  
just release and you will find  
You're gunna fly away  
glad you're goin' my way  
I love it when we're cruisin' together  
music is played for love  
cruisin' is made for love  
I love it when we're cruisin' together

cruise with me baby  
ooooohhh yeah  
ooooohhh (ooh, ooh)  
ooh baby lets cruise  
let's float  
let's glide

ooh let's open up  
and go inside

and if you want it, you got it forever  
I could just stay here beside you and love you baby

(Chorus)

Let the music take your mind  
just release and you will find  
you're gunna fly away  
glad you're goin' my way  
I love it when we're cruisin' together  
music is played for love  
cruisin' is made for love  
I love it when we're cruisin' together

You're gunna fly away  
glad you're goin' my way  
I love it when we're cruisin' together  
music is played for love  
cruisin' is made for love  
I love it when  
I love it  
I love it  
I love it

(oh)  
(cruise with me baby)  
(I love it when we're cruisin' together)
