[Verse 1- Gwyneth Paltrow]

Each day through my window
I watch him as he passes by
I say to myself
I'm so lucky he's so fly
To have a boy like him
Is truly a dream come true
Out of all the girlies in the world
He belongs to you

[Chorus]

But it was just my imagination
Runnin away with me
Tell you it was just my imagination
Running away with me

[Verse 2 - Babyface]

Soon we'll be married
And raise a family (oh yea...)
Have a cozy little crib in the country
With two children maybe three
I tell you I...
Can raise your lies down baby
It couldn't be a dream
Cause too real it all seems
Oooohhhh...

[Chorus]

But it was just my imagination (once again yea)
Runnin away with me (running away with me)
Tell you it was just my imagination
Running away with me (away with me yea)

[Verse 3 - Gwyneth Paltrow and Babyface]

Everynight on my knees I pray
Dear lord hear my plea yea
Don't ever let another
Take his love from me

Or I will surely die
Heavenly (heavenly) when your arms unfold me
I hear the tender upsity
But in reality
He doesn't even know me

[Chorus]

But it was just my imagination (ohh, so fly look out my window)
Runnin away with me (It's running away with me baby)
Just my imagination (runnin away)
Running away with me (my baby, my sugar, my sweetie, look at my baby)

Just my imagination (ohh, soo fly look out my window)
Runnin away with me (It's runnin away with me)
Just my imagination (yeeaaaa)
Running away with me (my baby, my sugar, my sweetie, look at my baby)

Just my imagination (ohh, soo fly look out my window)
Runnin away with me (It's runnin away with me)
Just my imagination (yeeaaaa)
