(Per Gessle)

Hot summer night  
The art of make-believe  
The treasure behind closed doors  
The hunter behind the trees  
- Radiowaves thru the air  
Can you hear me calling?  
Oh I've been dreaming  
Dreaming  
Dreaming of a woman in white  
The sound from the street

The smell of sweet perfume  
My breath inside of you  
hits an electric room  
- Radiowaves thru the air  
Can you hear me calling?  
Oh I've been dreaming  
Dreaming  
Dreaming of a woman in white
