[NEUTRINO]

Bound for the bound bound, we're back again
Oxide, Neutrino settin the trend
This time I thought I'd bring in my friends
Mega, Romeo, So solid that's them
Uh oh, uh oh, lemme hear ya
Uh oh, uh oh, a little louder
Uh oh, uh oh, I can't hear ya
Uh oh, uh oh, yeah

[ROMEO]

Its like a skunk smell, tortoise in a shell
Treble the bass, smile with a face
Coffee with a kettle and a pedal with a pusher
With a coffee with a kettle and a pedal with a pusher
Its like a skunk smell, Tortoise in a shell
Treble the bass, smile with a face
Coffee with a kettle and a pedal with a pusher
With the medal, sittin on another level

[LISA MAFFIA]

You're no good for me
I don't need no body
Don't need no one
That's no good for me
You're no good for me
I don't need no body
Don't need no one
That's no good for me

You're no good for me
I don't need no body
Don't need no one
That's no good for me

Don't need no one
That's no good for me
