I must see her in my eyes
She's drift'inside my head
She won't let go tonight
I think she know's I'm dead

I see her in my eyes
She's drift'inside my head
She won't let go tonight
I think she know's I'm dead

Kill me, in the sick ways I death you
Like venomous snakes with fangs sticking against me
The scars stills,
My heart stills,

Broken in center
And I still remember memories I don't wanna
remember

I'm not that way, shit it feels like I'm dieing
Till then I'll stab my watch and try killing some time
(To find instincts)
And I'm tired of crying,
I'm tired of lying
I don't wanna try to define

SCREMO!
Die, I wanna see you like that
Inside, I don't wanna see you at all
Inside, I wanna see you like that
I just, just wanna say you fall

Die, I wanna see you like that
Inside, I don't wanna see you at all
Inside, I wanna see you like that
I just, just wanna say you fall

I see her in my eyes
She's drift'inside my head
She won't let go tonight
I guess she know's I'm dead

She won't let go tonight
I guess she know's I'm dead

I see her in my eyes
She's drift'inside my head
She won't let go tonight
I guess she know's I'm dead

SCREMO
I'm dead,
I'm dead
So watch out let's choke you
I'm dead,
I'm dead,
I'm already deeeaaaaddddd
