Lets Go!

Get Drunk
Let me show you the ropes
We get drunk
at the club
But you already know

We got ice in our cups
and the rest is Patron

Now we party all night
Till the early morn

Low cut
Daisy Dukes
That's the way we like to do

No clothes
Underwear
Put your hands up in the air

Yo girls, shake your butt

Show em you don't give a fuck

Lights out
Turn me on
Everybody get it on!

Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)
Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)
Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)

Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)

We in the mood
Getting drunk like everyday
We poppin' bottles of patron
Cause we just got paid
Lets rage _____?
Lets hop in the benz
We got a hotel party
And there all into you

Low cut
Daisy Dukes
That's the way we like to do

No clothes
Underwear
Put your hands up in the air

Yo girls, shake your butt

Show em you don't give a fuck

Lights out
Turn me on
Everybody get it on!

Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)
Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)
Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)
Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)
Get on the dance floor!
(Come everybody)
Get on the dance floor!
(and shake your body)

Lets start the party

Lets get retarded
(Lets get retarded)

Low cut
