I walked into the club looking kinda sexy now.
I see these shorties in the corner, they started making out.
They pull their panties down,
and take their pants off.
And then they started getting freaky on the dance floor.
Shake it mommy give it to me like you need some love.
I got some bottles in the caddy we can open up
Let's get drunk tonight, baby we don't have to fuck.
And bring your friend along, maybe we can have some fun.
Let's get freaky now, let's get fucking freaky now(x3)
Let's get freaky now, let's get freaky now!
I got these bitches all tipsy trying to sex me.
I know they want it, alcoholics are some sex freaks
This ex and chronic gots me wanting to get messy
So let's get messy girls, come on let's go get messy girls
Come on bitch, you know you want this.
That hardcore shit will make you feel the toxic.
Versace, rolex watches.
Bently coups with the 20's dropping
Convertible top, and the wheels spin.
I can taste that ice when my grill is in.
If you want me baby fill me in 'cause I dont waste my time with lesbians.
Let's get freaky now, let's get fucking freaky now(x3)
Let's get freaky now, let's get freaky now!
Liar!(x8)
Oh baby, why did you have to lie to me?
I can't play no more games.
These thoughts are slowly controlling me.
You're turning off the flames.
So GO baby GO baby.
You don't want me?
So GO baby GO baby.
Come and get me.
So GO baby GO baby.
You don't want me?
So GO baby GO!
Come and get me.

You don't want me?
Come and get me.
You don't want me?
Come and get me.
Let's get freaky now, let's get fucking freaky now(x3)
Let's get freaky now, let's get freaky now!
