high times by brokencyde

We be puffin on the indo
We blowin kush up out the window
I got the girlies in the back seat
the 5-0 cant catch me

If you wanna smoke kush then light it up
Put your hands in the sky lets get high as fuck
Lemon Haze _____? inside the blunt
we get high all night

and I don't even wanna sleep yet
i got the beat set
listening to keith sweat
--missing verse--
we get it poplin girl its just how it goes
if you wanna get drunk, imma smoke my dro
We get high till I cant come down from it
i took a brand new sound and made it sound legit
i took your weak ass dime? and put a crown on it
and thats the mutha fuckin thanks I get, shit
and i never really realized how much i love
making music and makin you move in the club
smoking blunts all day we get blazed as fuck
and get high all night

tell em

We be puffin on the indo
We blowin kush up out the window
I got the girlies in the back seat
the 5-0 cant catch me

and if you want me you can find me
im puffin on the bob marley
i got my homie riding shanty
and we ride all night

life is so great what can i say
got me feeling so good its that time of day
we are rollin in the van with the windows rolled up

blunt in my hand and its just rolled up?
michaels real mad cuz he's getting smoked up
everybody's glad cuz we just got paid out

a fat as ___?, and a little bit of has just for the taste

gettin mad blown with a little bit of that
