I've been writing this letter,  
For a couple of months now,  
And right now,  
What I wanna do,  
Is I wanna express,  
This letter,  
To you,  
And it goes like this:

Your eyes  
They flow  
From all the pain I caused  
I lost my cause  
I only broke your heart  
Alone I cry  
I tried so hard to break you  
I love you  
I hate you  
Why wont you let me go?

I, I feel the raindrops fall  
These tears wont take you away,  
I'm sorry

I, I hear the thunder scream  
It's screaming out for me,  
I'm sorry

The rain it drips the rain drops drip down (x8)

The rain drops down

Your eyes  
They flow  
From all the pain I caused  
I lost my cause  
I only broke your heart  
Alone I cry  
I tried so hard to break you  
I love you  
I hate you  
Why wont you let me go?

The rain will follow me, I feel like I can't breath, I'm  
sorry  
I fell asleep again, when will this tempest end, I'm sorry

The rain it drips the rain drops drip down (x8)

The rain drops down

Your eyes  
They flow  
From all the pain I caused  
I lost my cause  
I only broke your heart  
Alone I cry  
I tried so hard to break you  
I love you  
I hate you  
Why wont you let me go?

I, I dreamt that you were here, lying next to me,  
I'm sorry

I, I finally realised that I fucked up your life,  
So I'm sorry

The rain it drips the rain drops drip down (x8)

The rain drops down

Your eyes  
They flow  
From all the pain I caused  
I lost my cause  
I only broke your heart  
Alone I cry  
I tried so hard to break you  
I love you  
I hate you  
Why wont you let me go?

I'd die tonight  
If only you were here  
I'd tell you I'm sorry  
I'd fucking disapear

Betrayed,  
You hate me,  
You look so pretty now  
Without me  
Alone

The tears come crashing down.
