Oh yeah

This I wanna dedicate...  
To your lady

You can be my girlfriend  
And  
I can be your boyfriend  
Together we can be friends  
We can kick it on the weekends

And if you wanna make love  
You know how to get me up  
Call me up babylove  
'Cause shorty I can't get enough

Hey mamasita  
Treat me to kisses  
Got some weed  
Got some drink  
Gotcha man on a mission

Cough and then sippin'  
Girl  
Your my prescription  
I'm sick of your ill  
If looks could hurt

You'd be a killar  
But your beauty's much deepa  
Your skin in the swiller  
This Is Why I'm Gotta Drop  
A Minute To  
Just To You  
We Drink And Drop Our Two  
You know how papa do, woo we  
Your Hottie with a Body  
And your mama's sweetest coffee cakes  
I'm gonna sex you hotter then bank  
I love you cause you see all the things in me  
Only I can see  
You be in my Studio

[Chorus]

You Can Be My Girlfriend  
You Can Be My Girl  
An' I Can Be Your Boyfriend  
An' I Can Be Your Boy  
Together We Can Be Friends  
We Can Be Friends  
We Can Kick In on the Weekend  
We Can Kick In Every Weekend  
And If You Wanna Make Love  
You Know How To Get Me Up  
Know How To Hit Me Up  
Call Me On The Video  
Call Me On The Video  
'Cause Shorty I Can't Get Enough  
Shorty I Can't Get Enough

In the Sparks in Your Eyes  
and the Sparks in Your Kisses  
So I'm Working so Hard  
Just To Kill Competition  
I'm Smashing The Gain  
'Cause I'm Falling Down Never  
This Is The Story Of My Life

Now And Forever  
This Is The Love  
Just Because There's None Better  
I Can't Forget The Ever  
'Cause You're My Lady Treasure  
Never Is A Purpose  
And I'm Next To Your Heartbeat  
Sweet Lovely Lady  
You're My Baby  
Hold Me Closely  
Money Ain't No Round  
So We're Sittin' Around Stressin  
You Know I Got You Boo  
That Ain't Even A Question  
You Got Me Down  
My Every Move Is Easy To Read  
I Switch The Sound  
So You Can Follow Me  
I Lead You Baby

[Chorus]

You Can Be My Girlfriend  
(You Can Be My Girl)  
An' I Can Be Your Boyfriend  
(An' I Can Be Your Boy)

Together We Can Be Friends  
(We Can Be Friends)  
We Can Kick it on the Weekend  
(We Can Kick it Every Weekend)  
And If You Wanna Make Love  
(If You Wanna Make Love)  
You Know How To Get Me Up  
(Know How To Hit Me Up)  
Call Me On The Video  
Call Me On The Video  
'Cause Shorty I Can't Get Enough  
Shorty I Can't Get Enough

You Can Be My Girlfriend  
You Can Be My Boo  
You Can Be My Girlfriend  
You Can Be My Boo  
An' I Can Be My Boyfriend  
You Can Call Me Bo'  
I Can be Your Boyfriend  
Your Special Somebody

[Chorus]

An' I Can Be Your Boyfriend  
Baby, Baby, Baby  
Together We Can Be Friends
