Let's get it poppin
It's poppin
Let's get it poppin girl [x4]

Bitch you love me for my money
My new wallet is fat
Mazeratti's models want me
Cause I rap like I'm black
Fo shizzle nizzle
I got these bitches all up on my sack
They're all invited to a sold out show in my pants (let's go)
Let's get it poppin baby (get low)
Let me see you drop it baby (so low)
I got that ice baby (fo sho)
Let's get it poppin baby

Let's get it poppin
It's poppin
Let's get it poppin girl [x4]

Let's get it poppin now
I'm feeling shaky now
Let's get it pop
Let's get it pop
Now baby break it down [x2] (let's go)
I got a yacht baby (get low)
Come suck my cock baby (so low)
Now do it twice baby (fo sho)
Let's get it poppin baby

Let's get it poppin
It's poppin
Let's get it poppin girl [x4]

I got a big phat diamond on the side of my neck
Now put that shit in reverse girl
Like beeb beeb
Now shake it baby go shake
Don't be afraid of the beat
You only want me for my doe (let's go)
I'm fucking rich baby (get low)

Look at my wrist baby (so low)
It must be nice baby (fo sho)
Let's get it poppin baby

Let's get it poppin
It's poppin
Let's get it poppin girl [x8]
